

Qualified Product List

AkzoNobel
Tomorrow's Answers Today

AkzoNobel Aerospace Coatings is the major innovative supplier of coatings to the Commercial, General Aviation, Air and Land Defense Markets worldwide. Our products are approved by over 70 OEM's/Specifiers with hundreds of unique specifications.

The enclosed Qualified Product List validates our strength in the industry by providing "Tomorrow's Answers Today". Our brands are recognized and trusted globally:

Eclipse® - High solids exterior coatings

Aviox® - High solids exterior systems

Aerodex® WB - Cabin coatings

Metaflex® - Wash and etch primers

Aerodur® - Solvent based coatings

Aeroflex® - High flexible coatings and wing coatings

Pyroflex® - Conductive coatings

Pyrosil® - High heat coatings

Aerowave® - Water based coatings

Alumigrip® - General Aviation exterior systems

Intergard® - Defense coatings and related material
