AkzoNobel
Tomorrow's Answers Today

AkzoNobel Aerospace Coatings Launches New Website

AkzoNobel Aerospace Coatings has developed a new website www.akzonobel.com/aerospace designed to provide customers worldwide a more in-depth product and communication resource.

The easily navigated website features up-to-date information about AkzoNobel's wide range of qualified coatings and paints, technical documentation, customer support and training information. It also offers up to date news and information and links to AkzoNobel Aerospace Coatings' dedicated media accounts.

Exciting new applications include an expandable product search function, including an overview with features and benefits and full access to material safety data sheets, technical data sheets, brochures and mixing guides.

The site will be a valuable tool for customer communication and interaction and provides a one-stop-shop for all AkzoNobel Aerospace Coatings company information.

AkzoNobel is the largest global paints and coatings company and a major producer of specialty chemicals. We supply industries and consumers worldwide with innovative products and are passionate about developing sustainable answers for our customers. Our portfolio includes well known brands such as Dulux, Sikkens, International and Eka. Headquartered in Amsterdam, the Netherlands, we are a Global Fortune 500 company and are consistently ranked as one of the leaders in the area of sustainability. With operations in more than 80 countries, our 55,000 people around the world are committed to excellence and delivering Tomorrow's Answers Today™.

AkzoNobel Aerospace Coatings

At AkzoNobel Aerospace Coatings we strive to develop, manufacture and supply high-quality coating solutions to serve the current and future needs of the aviation industry worldwide. We are always finding ways to improve our products and provide new practical answers to customer's needs including reduced process times, technical support, enhanced protection to aircraft, and unique colors with brilliance.

Safe Harbor Statement

This press release contains statements which address such key issues as AkzoNobel's growth strategy, future financial results, market positions, product development, products in the pipeline, and product approvals. Such statements should be carefully considered, and it should be understood that many factors could cause forecasted and actual results to differ from these statements. These factors include, but are not limited to, price fluctuations, currency fluctuations, developments in raw material and personnel costs, pensions, physical and environmental risks, legal issues, and legislative, fiscal, and other regulatory measures. Stated competitive positions are based on management estimates supported by information provided by specialized external agencies. For a more comprehensive discussion of the risk factors affecting our business please see our latest Annual Report, a copy of which can be found on the company's corporate website www.akzonobel.com.
